

# HOLY TRINITY CHURCH, ST ANDREWS

Henry Willis & Sons built an organ for the church in 1909. It was rebuilt by Harrison & Harrison in 1966, virtually as a new instrument, though incorporating much of the Willis pipework and other material.

Changes were made in subsequent years, culminating in the addition of the Bombarde Organ in 1974 as a memorial to the famous golfer Bobby Jones.

## PEDAL ORGAN

1. Sub Bass	(18 from 2, 12 acoustic)	32
